ANNUAL REPORT OF THE BOARD OF MANAGERS  
OF  
THE NATIONAL HOME  
FOR DISABLED VOLUNTEER SOLDIERS

FOR FISCAL YEAR ENDING JUNE 30, 1908.

*To the honorable the Senate and House of Representatives of the Congress of the United States.*

GENTLEMEN: The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1908:

By the reappointment of Gen. Thomas J. Henderson, Col. Walter P. Brownlow, and Col. Edwin P. Hammond the personnel of the Board of Managers remains unchanged, except that Gen. Joseph S. Smith, of Bangor, Me., has been appointed to succeed Gen. John Marshall Brown, who died on July 20, 1907.

The affairs of the home have been administered during the year as required by law. The Board of Managers has visited all of the branch homes and the Battle Mountain Sanitarium, except the Pacific branch, which has been visited and thoroughly inspected by the president of the board and by Col. H. H. Markham, the local manager. The branch homes and the Battle Mountain Sanitarium have also been carefully inspected by the inspecting officers of the home and by the officer of the Inspector-General's Department, designated by the Secretary of War under the act of August 18, 1894. All irregularities and defects reported have been corrected by appropriate action.

During the year which ended June 30, 1908, 34,949 members were cared for. Of this number 19,919 were maintained throughout the year. The gains in membership during the year by admissions, readmissions, etc., were 6,850; the losses during the same period from various causes were 7,747, a net loss of 897. In the state homes, 30 in number, 20,147 disabled soldiers and sailors were cared for, 11,436 being maintained throughout the year. The whole number cared for in the National Home and in the state homes was 55,096, a gain over the preceding year of 966.

The following table shows the comparative statistics for the years ending, respectively, June 30, 1907, and June 30, 1908:

*a* Decrease.

*c* Transfers between branches included.

*b* Less "Gains by transfer" between branches.

As above shown the increase in the per capita cost of maintenance over that of the previous year was \$27.38. This increase was due to several causes: (1) Expenditures for the amusement of members, support of bands, etc., heretofore made from the post fund have, on account of loss of revenue in that fund due to the discontinuance of the sale of beer, necessarily been made from the general fund. (2) The necessity of replacing member employees who are no longer able to render efficient service by civilians at great additional expense. (3) The extraordinary high prices of all supplies and materials required for the support of the home which prevailed during a large portion of the year. (4) The decrease in membership whereby the figures used for a divisor (the average present) viz, 19,919, were 796 less than last year, while the cost of administration, heating, lighting, repairs, etc., remained practically the same.

The health of the members generally has been good, and with the exception of a larger mortality from pneumonia at one of the branch homes there has been no unusual manifestation of disease. There were 44 more deaths than last year, a total of 2,377, but considering the age of members, the death rate is low.

The benefits of the Battle Mountain Sanitarium have been extended throughout the year to members of the home at the several branches, and also to others eligible for admission to the home. More than 70 per cent of those treated there were benefited. The sanitarium has not, however, proved as attractive to members as anticipated, partly no doubt because of the disinclination of the aged and infirm to undertake the long journey to Hot Springs, S. Dak., and it has not at any time during the year been filled to its capacity. Further information relative to the health of members will be found in the report of the inspector-general and chief surgeon, which is forwarded herewith.

The moneys appropriated by Congress for aid to state homes under the provisions of the act of Congress approved August 27, 1888, have been apportioned and paid to the several States in accordance with the requirements of the act referred to and the further conditions imposed by the act approved April 28, 1904. The several state homes, 30 in number, have each been twice inspected during the year by officers of the inspection department of the home.

The act of Congress approved May 28, 1908, which requires that the pension of members of state soldiers' home shall be paid directly to the pensioner, has been complied with by the authorities of these homes, but is generally condemned as being of no benefit to members and an embarrassment to the management. It has necessitated changes in the rules and regulations of nearly all of the state homes, as the disbursement of pension money to members was formerly to a large extent controlled by the home authorities partly for disciplinary purposes and partly for the protection of members who are incapacitated by infirmities and, therefore, require assistance and supervision in the care of their pensions. In some instances unfortunates who could be kept in the homes as long as the disbursement of their pensions was under control now have to be set adrift because of dissolute habits and consequent interference with the comfort of others and find their way into jails and almshouses, and in the case of members who are infirm the appointment of a guardian has become necessary.

Under the provisions of the act approved February 26, 1881, as amended by act approved August 7, 1882, the treasurers of the several branches of the home have received from the pension agents during the year pension money belonging to members of the home in the amount of \$4,269,688.12. Of this sum \$3,178,726.12 has been paid to members and \$1,022,502.97 sent, at the request of the members, to their families and dependent relatives.

The suits against the home to test the legality of action taken by the home in carrying out the provisions of the act of August 18, 1894, relating to the disposition of effects of deceased members, referred to in the last annual report of this board, are still pending in United States district court for the State of Ohio.

At the last session of Congress it was provided that disabled soldiers who have served in campaigns against hostile Indians shall be admitted to the National Home for Disabled Volunteer Soldiers. This opened the doors of the home to a worthy class of veteran soldiers.

There are, however, a considerable number of helpless invalid soldiers still unprovided for. These are men who have served in the Regular Army in the Philippine Islands and other insular possessions of the United States, in Cuba and in Alaska, and have contracted disabilities which incapacitate them for earning a living. In many instances these disabilities were not apparent when the soldier was discharged, but have developed since, and the discharge papers showing that he was not suffering from disease at that time, it is impossible for him under existing rules to obtain admission to the Soldiers' Home in Washington.

The National Home for Disabled Volunteer Soldiers has facilities for the care of these unfortunate old soldiers, who are now in some instances a charge upon local charities, and it is therefore recommended that the following provision be included in the bill providing for the sundry civil expenses of the Government for the fiscal year 1910, viz:

In addition to those classes of discharged soldiers and sailors, now admissible to the National Home for Disabled Volunteer Soldiers, all honorably discharged soldiers and sailors who have served in the Philippines or other insular possessions of the United States, or in the island of Cuba, or in Alaska, who are now or who hereafter may become disabled by disease, or otherwise, and by reason of such disability are incapable of earning a living, shall hereafter be admitted thereto.

## PROCEEDINGS OF THE BOARD OF MANAGERS.

### PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, DECEMBER 3, 1907.

WASHINGTON, D. C., *December 3, 1907.*

The board met in regular quarterly session at 10 a. m.

Present: The President of the United States; Maj. James W. Wadsworth, president of the board; Gen. Thomas J. Henderson, first vice-president; Col. Walter P. Brownlow, secretary; Capt. Henry E. Palmer; John M. Holley, esq.; Maj. William Warner; Col. Edwin P. Hammond.

The secretary presented letters from Col. Henry H. Markham and Lieut. Franklin Murphy explaining their absence.

The minutes of the last meeting were submitted and approved.

The president of the board presented the following draft of the annual report of the board for the fiscal year ending June 30, 1907, which was read, discussed and, upon motion, approved and ordered transmitted to Congress:

*To the honorable the Senate and House of Representatives of the Congress of the United States:*

GENTLEMEN: The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1907:

During the year the home has sustained a severe loss in the death of Gen. John Marshall Brown, who died at his home in Portland, Me., July 20, 1907. General Brown was appointed a member of the Board of Managers of the National Home February 15, 1897, and was chosen its second vice-president December 6, 1904, which office he held at the time of his death. His ability, his high appreciation of the honor of his position, his excellent judgment, firmness of character, and the zeal and energy which he devoted to the affairs of the home and the welfare of its members made him a most valuable manager, and his loss is deeply felt by his associates. A suitable memorial will appear in the minutes of the proceedings of the board of the meeting of December 3, 1907.

The affairs of the home have been administered during the year as required by law. The several branch homes and the Battle Mountain Sanitarium have been visited and inspected by the Board of Managers and carefully inspected by the officers appointed to that duty by the Board of Managers. The home has also been inspected by Maj. P. W. West, Inspector-General United States Army, under the provisions of the act approved August 18, 1894. The defects and irregularities revealed by these inspections, all of which were of a minor character, have been, as far as possible, corrected.

During the year which ended June 30, 1907, 34,533 members were cared for. Of this number 20,715 were maintained throughout the year. The gains in membership during the year by admissions, readmissions, etc., were 5,864; the losses during the same period from various causes were 6,434, a net loss of 570. In the state homes, 30 in number, 19,597 disabled soldiers and sailors were cared for, 11,688 being maintained throughout the year. The whole number cared for in the National Home and in the state homes was 54,130, a loss from the preceding year of 463.

The following table shows the comparative statistics for the years ending respectively June 30, 1906, and June 30, 1907:

a Decrease.

The cost of maintenance per capita was \$157.23, an increase of \$2.68. This increase has been caused by the continued high prices of all supplies and materials used by the home and by the necessity for employing civilians to take the place of member employees, who, on account of increasing age and disabilities incident thereto, are no longer able to perform labor or render clerical services with efficiency.

The general health of the members has been good, and no epidemic disease has prevailed. The number of deaths was 2,333, an increase over those of the preceding year of 185. The subject of health and medical care will be found fully treated in the report of the inspector-general and chief surgeon, forwarded herewith.

Referring to the member of the home at the Northwestern Branch afflicted with leprosy, of whom mention was made in the last annual report, information has been received from the Secretary of War that while the governor-general of the Philippine Islands has consented to receive this leper and have him cared for at the leper colony at Culion, the obstacles in connection with his transportation from Milwaukee, Wis., to San Francisco, Cal., are found to be insuperable, the railroads absolutely refusing to furnish the necessary transportation. Under the circumstances he will, therefore, continue to be cared for at the Northwestern Branch of the home, his condition being made as favorable as circumstances will permit.

The moneys appropriated by Congress for aid to state homes under the provisions of the act of Congress approved August 27, 1888, have been apportioned and paid to

the several States in accordance with the requirements of the act referred to and the further conditions imposed by the act approved April 28, 1904. The several state homes, 30 in number, have each been twice inspected during the year by officers of the inspection department of the home.

Under the provisions of the act approved February 26, 1881, as amended by act approved August 7, 1882, the treasurers of the several branches of the home have received from the pension agents during the year pension money belonging to members of the home in the amount of \$3,715,961.87. Of this sum \$2,759,368.04 has been paid to members and \$888,559.86 sent, at the request of the members, to their families and dependent relatives.

#### BATTLE MOUNTAIN SANITARIUM.

The construction work pertaining to this institution has been completed, and the sanitarium was opened for the reception of patients March 15, 1907. It is fully equipped with modern appliances for the treatment of disease and is provided with skilled medical officers, nurses, and necessary attendants. Its facilities have not as yet been fully availed of by members of the home, but it is hoped that as the curative properties of the waters of the springs and the advantages that this institution affords for the cure and alleviation of disease become better known it will be filled to its capacity.

During the last fiscal year the legality of action taken by the home in carrying out the provisions of the act of August 18, 1894, relating to the disposition of effects of deceased members, and the provisions of the acts of February 26, 1881, and August 7, 1882, as amended by the act of July 1, 1902, relating to the disposition of any balance of pension moneys due members at date of death, has been questioned at several branch homes, and particularly at the Central and Northwestern Branches.

There are pending in the United States district court for the State of Ohio four test cases involving the various points raised, and it is probable that the determination of these cases will affect possible legal action at other branches. The origin of these cases may be briefly stated as follows:

Under the laws of the State of Ohio one F. W. Howell has been appointed administrator of the estates of several thousand deceased members of the Central Branch, located at Dayton, Ohio. In November, 1906, the governor of the Central Branch was served with a citation issued by the probate court of Montgomery County, Ohio, to appear before said court on a charge, filed by said F. W. Howell as administrator, that the governor had concealed the assets of the estates of Henry Kerl and others. By agreement further action was suspended and the said Howell brought three suits in the United States district court at Cincinnati, Ohio, against the United States, as administrator of Henry Kerl, Michael Hoffman, and Peter Agnew, respectively, and a suit as administrator of Francis O'Reilly, in the common pleas court of Montgomery County at Dayton, Ohio, against the National Home for Disabled Volunteer Soldiers, which suit was removed to the United States district court. An agreed statement of the facts has been prepared covering the four cases, to be submitted to the court as a basis for the argument by counsel and determination of the issues raised.

The Kerl, Hoffman, and Agnew cases each involve both effects and pension money, while the O'Reilly case is restricted to the matter of effects, there being no pension money to his credit at time of death. The said Henry Kerl died December 22, 1893; Michael Hoffman died April 5, 1900; Peter Agnew died July 26, 1905; and Francis O'Reilly died January 12, 1907, and in each case effects and pension money were treated by the National Home in compliance with the laws of Congress in force at date of death.

The said Howell, as administrator, claims all effects with pension money in the Kerl, Hoffman, and Agnew cases, as constituting a part of the personal estate of each of said decedents, and as, under the laws of Ohio governing the disposition of estates of inhabitants thereof leaving no heirs to inherit, vesting in the State for the benefit of the common-school fund of Montgomery County within the limits of which said Central Branch is located. The O'Reilly case involves the question of the right of administration by an officer appointed by the State where the heirs are nonresidents of the State, in cases which it is customary for the officers of the home to determine and make settlement directly with the heirs under regulations established by the board of managers, or in the absence of any claim from a person entitled thereto to take up the effects in the public funds.

It is contended that moneys taken up under the act of August 18, 1894, as effects of deceased members, and deposited in the United States Treasury, and all pension moneys transferred under act of July 1, 1902, to the post fund should now be paid over to the State. It is claimed that the State has full jurisdiction over the grounds of the said branch home and that the state law is paramount to any law passed by

Congress to govern disposition of both effects and pension money. The National Home is assisting the United States district attorney at Cincinnati in opposing the claims of the administrator, and J. C. McReynolds, esq., has also been designated by the Department of Justice as an assistant in this matter.

Every effort will be made to secure a decision which shall clearly determine the various points involved and settle definitely these questions, which in the aggregate involve several hundred thousand dollars.

In compliance with the act of Congress approved June 30, 1906, the sale of beer to members of the home was discontinued on the 4th of March, 1907.

The circumstances that influenced the board of managers to authorize this practice at the branch homes and the opinions of officers of the home as to its effect upon sobriety and good order were fully explained in the last annual report of the board.

A period of eight months has now elapsed since the closing of the beer halls, during which time the general policy as to administration and discipline has not been otherwise changed. Reports from governors of all branches of the home show that 1,576 more offences have been committed by members during this period than during the same eight months of the previous fiscal year when the beer halls were in operation, an increase of 0.282 per cent. Practically all these offenses were due to intemperance.

The number of cases of acute alcoholism treated in the hospitals during this period has increased. The smallest increase reported was 13 per cent at the Pacific Branch, and the largest, 91 per cent, at the Eastern Branch, in Maine.

The opinion of the board, as stated in its last annual report, that the discontinuance of the sale of beer would be a distinct detriment to the moral and physical interests of the members of the home, appears to be fully sustained by the deplorable results shown by the above figures, and it is strongly recommended and urged that the prohibition against the sale of beer which was attached as a provision to the appropriation for the support of the home for the current fiscal year be not renewed.

Applications for admission to the home are frequently received from men who have served either in the regular or volunteer forces in some of the various campaigns and expeditions against hostile Indians, who are now so disabled as to be unable to gain their living. Men who served in the regular forces are not admissible to the Soldiers' Home for regulars in Washington unless they served twenty years or were discharged for disability incurred in the service, and those who served as volunteers in such service against Indians are not, under the present law, entitled to admission to the National Home. In view of the hardships incident to the service referred to, and the fact that these veteran soldiers are now generally well advanced in years, it is recommended that, by appropriate legislation, they be made eligible for admission to the National Home for Disabled Volunteer Soldiers.

Respectfully yours,

J. W. WADSWORTH,  
President Board of Managers,  
National Home for Disabled Volunteer Soldiers.

Whereupon the following resolution was adopted:

*Resolved*, That the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the sum of \$1,010,061 as necessary to meet the expenses of the branches and for clothing, salaries, outdoor relief, and incidental expenses of the National Home, and \$293,750 for aid to state or territorial homes, for the quarter ending March 31, 1908; and that the general treasurer be, and he is hereby, authorized and empowered to obtain the sum of \$1,303,811 from the Treasury of the United States, to receipt therefor, and to transfer and disburse said sum as authorized by law.

The committee appointed at the last meeting to prepare a memorial resolution on the death of Gen. J. Marshall Brown, late second vice-president of the board, presented the following, which, upon motion, was approved and ordered upon the minutes:

Gen. John Marshall Brown, the second vice-president of the Board of Managers of the National Home for Disabled Volunteer Soldiers, died at Portland, Me., July 20, 1907, after nine years' service on this board.

He was born in Portland on the 14th of December, 1838, graduated from Bowdoin College in 1860, and in 1862 he enlisted in the war of the rebellion, entering the service as first lieutenant and adjutant of the Twentieth Maine Infantry. A few months later he was captain and assistant adjutant-general. He served a portion of the time in South Carolina and Florida, but principally with the Army of the Potomac in Virginia. He was in the battles of Beverly Ford and Gettysburg. He commanded his regiment at Cold Harbor, and was severely wounded at Petersburg. He was lieutenant-colonel of the Thirty-second Maine Infantry in March, 1864, and was discharged for disability on September 23 of that year. He was brevetted colonel and brevet brigadier-general of volunteers.

His public service in civil life included that of commissioner to the Paris Exposition in 1867, president of the Maine Agricultural Society in 1878, member of the Maine legislature in 1899, and adjutant-general of the State of Maine. For twenty-five years he was a member, and for six years president, of the board of overseers of Bowdoin College.

General Brown was a fine type of all that is best in American citizenship. Born to wealth and social position and of a family distinguished for its influence and usefulness, educated in one of our oldest and best colleges, he never failed to respond to the calls that were made upon him by his city, his state, or his country.

He became a member of this board in 1897. In 1904 he was chosen its second vice-president, which position he occupied at his death. It is not too much to say that he brought to the discharge of his duties an ability and a devotion that were not surpassed by any of his associates. A man of the finest principle and the highest sense of honor, he made the Eastern Branch, of which he was local manager, second to none in its efficiency.

He loved the work. An old soldier himself, he sympathized fully with those who had fought with him for the salvation of the country, and it was a source of pride to him to feel in his later years, that in serving such as have grown old, and who need the relief and comfort which the National Home gives to those for whom this great institution was established, he was not only serving his old comrades, but was accomplishing something for the benefit of his fellow-man. His was an unflinching devotion which the illness and pain of the past two years, borne with courage and fortitude, could not impair.

He has gone to his long home, mourned by all who knew his great worth, and by none more than his associates on this board, who will always cherish for him an affectionate remembrance.

The board then proceeded to the election of a second vice-president to fill the vacancy caused by the death of Gen. J. Marshall Brown. Upon motion, the ballot of the board was unanimously cast for Capt. Henry E. Palmer, and, this having been done, Capt. Henry E. Palmer was declared duly elected second vice-president of the board, to date from December 3, 1907.

The president of the board presented General Orders, Nos. 7 and 8, of 1907, issued by him, which, upon motion, were approved by the board.

Upon motion, it was resolved that when the board adjourn, it be to meet at headquarters, National Home for Disabled Volunteer Soldiers, in New York City, on April 13, 1908.

The president of the board reported that, under the act of March 3, 1901, he had appointed Capt. H. A. Valentin acting treasurer of the Northwestern Branch during the disability of Maj. J. E. Armitage, treasurer, to date from November 1, 1907; that he had received and accepted the resignation of Maj. J. E. Armitage, treasurer, to take effect November 30, 1907, and that, under the authority heretofore conferred by the board, he had appointed Mr. R. W. Corbett treasurer of the Northwestern Branch, to date from December 1, 1907. Upon motion, the action of the president in each case was confirmed.

The president of the board reported that he had received and accepted the resignation of Maj. B. A. Beeson, treasurer of the Southern Branch, to take effect September 10, 1907; that, under the authority heretofore conferred by the board, he had appointed Maj. J. T. Hume treasurer of the Southern Branch, to date from September 11, 1907; Capt. Frank E. Skinner quartermaster of the Southern Branch, to date from September 12, 1907, and Mr. D. C. Spencer commissary of subsistence of the Southern Branch, to date from September 20, 1907, and that, under paragraph 75, Home Laws and Regulations, he had also appointed Mr. Spencer superintendent of the post fund of the Southern Branch, to date from October 1, 1907. Upon motion, the action of the president in each case was confirmed.

The president of the board reported that, under the authority heretofore conferred by the board, he had appointed Dr. H. F. Alexander surgeon of the Mountain Branch, to date from October 1, 1907; that he had received and accepted the resignation of Capt. W. B. Aiken, adjutant and inspector of the Mountain Branch, to take effect November 30, 1907, and that, under the authority heretofore conferred by the board, he had appointed Mr. Charles Y. Deaderick adjutant and inspector of the Mountain Branch, to date from December 1, 1907. Upon motion, the action of the president in each case was confirmed by the board.

Upon motion, the president of the board was authorized to equalize the salaries of the two chaplains at Danville Branch, to date from July 1, 1908.

The president of the board presented the matter of the water supply at the Mountain Branch. After discussion, upon motion, the matter was referred to the president of the board, with power.

The president of the board reported that he had authorized the substitution of a temporary shed of lumber for sheltering the reserve coal supply at the Battle Mountain Sanitarium for tarpaulins, authorized by the board at its last meeting. Upon motion, the action of the president was approved.

The president of the board presented the matter of the sale to members of the home of half-rate transportation, regarding the issue of which transportation much trouble has been caused by reason of recent legislation affecting the various railroad lines. Upon motion, the following was adopted:

*Resolved*, That on and after January 1, 1908, the practice of selling requests for half-rate transportation, through the post fund of the several branches of the home, to members of the home will be discontinued.

Upon motion, the following was adopted:

*Resolved*, That hereafter when members are ordered transferred to the Battle Mountain Sanitarium for treatment the president of the board may, in his discretion, direct that free transportation be furnished them, provided funds are available from the appropriation for maintenance of the Battle Mountain Sanitarium.

The president of the board presented the matter of the condition of the post fund at the several branches with the suggestion that interest upon the same might be secured. Upon motion, the matter was referred to the president of the board with power.

The president of the board presented the request of the contractors for the heating and ventilating of the Battle Mountain Sanitarium for partial payment pending the completion of the work; also the recommendation of the treasurer of the Western Branch that partial payment be made to the contractors for installing pipes in steam tunnels at that branch pending the correction of certain defects in pipe joints. Upon motion, the matters were referred to the president of the board, with power.

The president of the board reported the status of the railroad right-of-way suits at the Western Branch.

The president of the board presented the matter of the present investment of the ward fund. Upon motion, the matter of the reinvestment of the fund was referred to the president of the board, with power.

The president of the board presented the case of the leper member at the Northwestern Branch. Upon motion, Major Warner was empowered to confer with the Secretary of War with a view to having this member transferred to some leper colony.

Upon motion, it was—

*Resolved*, That if appropriation be made by act of Congress during its present session for deficiencies in the appropriations for the fiscal year 1908 and for prior years, under the various heads of expenditure, for buildings and appurtenances and for aid to state or territorial homes, the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the total amount of such appropriations as necessary to meet the expenses of the Na-

tional Home for the quarter ending March 31, 1908; and that the general treasurer be, and he is hereby, authorized and empowered to obtain such total amount, or so much thereof as may be necessary, from the Treasury of the United States, to receipt therefor and to transfer and disburse said amount as authorized by law.

The president of the board reported that, after the completion of the addition to the hospital at Central Branch, for which the sum of \$66,000 was appropriated by act approved March 4, 1907, there would be a considerable balance, which it was desirable to use in equipping and furnishing the building. Upon motion, the president of the board was authorized to take up the matter with the Committee on Appropriations of the House of Representatives, with the view of having a provision inserted in one of the deficiency bills making such balance available for the purpose named.

The president of the board presented the case of Nathan W. Storrs, late A Company, Fifteenth Regiment New York Engineers, a member of the Southern Branch, employed in the hospital at that branch, who had misappropriated money belonging to another member. After discussion, Nathan W. Storrs was ordered dishonorably discharged and to be turned over to the civil authorities.

The board considered applications for readmission and made the following orders:

The following applications were denied: Jacob Luly, late C Company, Thirty-third Indiana Infantry; Henry Landau, late A Company, First Arkansas Infantry, Spanish-American war; Henry L. Hawkins, late Second District of Columbia Infantry.

Danville Branch, applications for readmission: The application of Samuel W. Wallis, late H Company, One hundred and fiftieth Illinois Infantry, and C Company, Veteran Reserve Corps, is approved.

Mountain Branch, applications for readmission: The following applications are approved, subject to such conditions as may be imposed by the governor of the branch: Thomas Cheek, late United States Navy; Walter Rounds, late I Company, Seventeenth Maine Infantry.

There being no further business before the board, upon motion, the board adjourned, on December 4, to meet at headquarters, National Home for Disabled Volunteer Soldiers, in New York City, on Monday, April 13, 1908, at 2 p. m.

W. P. BROWNLOW, *Secretary*.

## REPORT OF THE INSPECTOR-GENERAL AND CHIEF SURGEON.

---

THE NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS,  
*December 1, 1908.*

SIR: I have the honor to submit herewith my annual report, including certain papers relative to the membership and health of the National Home, for the year ending June 30, 1908, which consist of—

(1) Statement of percentage of members admitted from different States and Territories.

(2) Statement of average number present from date of organization.

(3) Statement showing average number of members present at branches since their establishment: Total average present, average present and absent, whole number cared for, and percentage of increase.

(4) Statement of deaths and number of deaths per 1,000 of average present and absent and whole number cared for.

(5) Statement of ages at death and number of deaths per 1,000 to whole number cared for during year ending June 30, 1908.

(6) Statement of diseases and causes of death for year ending June 30, 1908.

(7) Returns of the National Home for year ending June 30, 1908.

The statistics relative to membership show a loss in the permanent population, of all branch homes except the Pacific, which is offset by an increase in the whole number to whom the benefits of the home were extended during the year. The average number of members present was 796 less than last year, but the whole number cared for was 416 more, making a total of 34,949, which is the largest number recorded for any fiscal year in the history of the home.

These figures indicate a shorter average residence, which is further shown by the large number of discharges granted to members within a few weeks or months of the date of their admission. Temporary relief was given in this way to many soldiers who are usually able, with the aid of their pension, to care for themselves, but who sought the benefits of the home for the purpose of obtaining medical treatment.

The average present sick was 187 greater than last year. Nearly one-third of all the members were treated in the hospitals and 83 per cent received medical treatment either at sick call or in the hospital during the year.

The medical reports show an increase in the number of cases of alcoholism and an unusual manifestation of croupous pneumonia at the Eastern Branch, where 48 of the 63 cases proved fatal; 1,965 cases of acute and chronic alcoholism are recorded in the hospital records, which is 524 more than last year and 841 more than for the year ending June 30, 1906, the last complete fiscal year in which a beer hall was maintained at the branch homes. These figures are for the severe cases which required admission to and treatment in the hospitals.

The importance of the special facilities that have been provided for the treatment of tuberculosis and the necessity for extending them is emphasized by its increasing prevalence in the home, due chiefly to the large proportion of Spanish-American war and Provisional Army members who suffer from it when admitted. There were 551 cases of pulmonary tuberculosis treated in the hospitals during the year, which is 105 more than last year. The death rate, however, was less.

The increase in cases and the decrease in death rate has been almost continuous for the past six years, as shown by the following table, viz:

Year.	Cases.	Deaths.	Percentage of deaths to cases.
1903.....	325	147	45.2
1904.....	333	115	34.5
1905.....	346	158	45.6
1906.....	382	144	37.6
1907.....	446	160	35.8
1908.....	551	134	24.1

Four hundred and ninety-four members received treatment at the Battle Mountain Sanitarium, of whom 379, or 77 per cent, were benefited and 115, or 23 per cent, were not benefited.

The branch homes have been inspected as usual by an officer of the Inspector-General's Department of the Army and by the inspectors-general of the home. Such irregularities as were found were generally of a minor character and were promptly corrected.

The decrease in the average number present has permitted the removal of the excessive number of beds from many of the barrack wards, which for the past ten years have been crowded beyond their normal capacity, and the use of basements as sleeping quarters has been abandoned except in case of emergency.

The hospital wards are still crowded in a few instances, but this condition is being relieved by the addition of messing facilities to some of the barracks which provide comfortable quarters for the aged and chronic invalids who do not require active medical treatment.

The administration of the branch homes is, on the whole, excellent. The buildings and grounds are kept in good repair and the quarters of members are well furnished, heated, and lighted. The ration, which has gradually developed in accordance with the requirement of members, is sufficient in quantity and of good quality. With but few exceptions it is well prepared and of excellent variety.

The hospitals are properly equipped for the care of the sick and the medical service is good.

Respectfully, yours,

W. E. ELWELL,  
Inspector-General and Chief Surgeon,  
National Home for Disabled Volunteer Soldiers.

Maj. JAMES W. WADSWORTH,  
President Board of Managers,  
National Home for Disabled Volunteer Soldiers.

## PERMANENT IMPROVEMENTS.

Under this head the most important is the new wing to the main  
nospital building, which is practically completed except as to some  
fittings, etc. This building is very complete in all its appointments  
and will add greatly to the efficiency of the hospital service at the  
branch. The new tuberculosis ward, which has been completed and  
in use for several months, is well adapted for the work and will, I  
hope, greatly increase the chance of improvement or recovery for  
this class of hospital patients. Wards 14 and 15 at hospital, where  
weak-minded and insane patients are cared for, have been greatly  
improved by the putting in of suitable toilet facilities. Quarters  
have been prepared over the kitchen at hospital for the new women  
hospital employees by raising the roof one story higher and providing  
rooms on both second and third floors. In connection with hospital  
work should be mentioned the remodeling of the camp dispensary,  
taking in the old guard headquarters, which is practically completed,  
and will furnish convenient quarters for giving such medical atten-  
tion as is often required by members, who are not subjects for regular  
hospital treatment. The bakery at general mess hall has been over-  
hauled and two new modern ovens put in; the old latrine has been  
entirely remodeled and is now convenient and sanitary. Two new  
boilers have been added to the plant at central boiler house in accord-  
ance with the plan to centralize, as far as possible, the heating,  
lighting, water system, etc., at the branch. The addition to the

guardhouse building for governor's court has been in use for some months and is a great improvement over the old room used for court purposes, it being used also for office of captain of the guard. Various repairs have been made as usual to the buildings at the branch and a power elevator has been put in at laundry to replace the old hand elevator so long in use there.

### HEALTH.

The general health of the branch has been good during the year and the increase of eleven in the number of deaths (532) over last year is normal, when the increasing age of the members is taken into account.

### GENERAL.

Considering the age of the members, the difficulty in securing a sufficient number of them who are able to do the necessary work of the branch has not been as great during the past year as was feared. The introduction of women employees instead of men as cooks, waiters, etc., at the hospital, where the change was made on July 1, will be watched with great interest during the coming months, as the experiment will throw much needed light on the question of employing women at all of the branch messes. It is hoped that the experiment will prove a success, but each locality has its peculiar problems which must be studied and, if possible, solved.

Very respectfully,

A. J. CLARK, Governor.

Col. W. P. BROWNLOW,

Secretary Board of Managers.

## SANITARY REGULATIONS.

The branch has been fortunate during the year in having abundance of water for all purposes, and the sanitary conditions have been good. Plenty of rain kept the Wagner wells in good working condition, and only in July and August, 1907, was Dayton water used. Had the year been as dry as many past years have been we would have been obliged to draw heavily on the Dayton water supply, which has been inadequate during the past year to meet the city's growing demands. This shows that it is very necessary for the branch to improve and increase its water supply. The surgeon has, in compliance with regulations, made his regular quarterly sanitary inspections of the branch, as well as special inspections when called for. The total number of baths taken during the year at general bath house and in barrack bath-rooms was 181,277.

## RELIGION AND SOCIETIES.

The branch chaplains have faithfully and efficiently performed their various duties during the past year, as will be seen by their reports which are submitted herewith:

CENTRAL BRANCH,  
NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS,  
July 6, 1908.

SIR: I have the honor to submit the following report for the year ending June 30, 1908:

The Sabbath morning and evening services, with sermon, have been kept up as in former years; also the midweek meetings. In these Thursday evening meetings there has been a brief expository sermon, followed by a service of prayer and praise; and in these chapel services the attendance has been good, as in other years. Not only is the attendance at these services encouraging, but the quiet, thoughtful attention to the preaching service is also gratifying. Many of the new members admitted during the year have voluntarily sought out the chapel and its services.

A large part of the chaplain's work, however, has been of a personal character, in the way of ministering to the spiritual wants of individuals in the hospital and in the barracks, and the readiness of individuals to receive these personal ministrations has been gratifying.

As a rule I visit the hospital systematically on six days of the week and also answer special individual requests whenever called.

The organist and choir continue to bring to the chapel services an efficiency and a spirit which are spiritually helpful and which are greatly enjoyed by all the members.

During the year I received notices of 288 deaths and held service at the funerals of 250 members, the remains of 38 having been sent away.

Respectfully,

H. A. McDONALD, Chaplain.

Col. A. J. CLARK,

*Governor Central Branch, National Home for Disabled Volunteer Soldiers.*

NATIONAL MILITARY HOME, OHIO,  
July 13, 1908.

DEAR GOVERNOR: The undersigned begs leave to report as follows for the last fiscal year:

When making his daily visits to the hospital wards his duties have been helped and lightened by the uniform friendliness shown him by all, officers, physicians, nurses, attendants, and patients.

The chapel has been much frequented, even outside the hours of regular services, which consist of daily mass, high mass, and vespers on Sundays and holidays, and exercises Friday evenings. The sermons have received respectful attention. Special mention must be made of the choir, who have contributed immensely toward the solemnity of worship, and their efficiency and faithful attendance have been relished by all concerned.

The chaplain administered the last rites of the church to 106 members who died, and all of whom he buried excepting three.

With grateful appreciation for the facilities of worship accorded to the members who come immediately under his charge, he has the honor to subscribe himself,

Respectfully,

B. F. KUHLMAN, Chaplain.

Col. A. J. CLARK, Governor.

NATIONAL HOME,  
*Milwaukee County, Wis., July 22, 1908.*

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1908:

Average present.....	1,857
Average present and absent.....	2,282
Whole number cared for.....	3,044
Whole number receiving medical treatment.....	2,711
Average age of members.....	69.48

The permanent improvements are a building for officers' quarters, two double buildings for quarters for civilian employees (electrician, plumber, steamfitter, and chief fireman), and 4,800 feet of iron fence with suitable entrances on north and south sides of grounds.

While the death rate has naturally increased slightly owing to the increased age of the members, the general health has been good.

The general discipline of the home has been good, but the effect of the closing of the canteen is still felt, as is shown by the increase in the number of arrests and percentage of offenses.

Respectfully submitted.

CORNELIUS WHEELER,  
*Governor.*

## SANITARY REGULATIONS.

Sanitary inspections are made daily by the adjutant and inspector and the officer of the day. The surgeon makes sanitary inspections regularly every quarter and at such other periods as directed by the governor.

All garbage is promptly removed twice daily, and no unsanitary accumulations are allowed.

Members are required to bathe at least once each week. New arrivals and applicants for admission or readmission are at once given a bath and a change of clothing, their own clothing being subjected to sterilization when deemed necessary, and all applicants for admission are required to be vaccinated. Members returning from furlough or absence of more than three days are required to bathe and have their clothing sterilized.

The clothing of all members discharged or going on furlough is turned in to the quartermaster and sterilized and renovated before reissue.

Every precaution against the spread of disease or vermin is used. There is in readiness good isolation quarters to be used in case of emergency.

The hot-water tank system for the purification of the beds and the steaming of the wardrobes is continued with success.

The intermittent filtration system for sewage is still in successful and satisfactory operation.

The sanitary condition of the branch is excellent.

#### RELIGION AND SOCIETIES.

##### REPORT OF E. PURDON WRIGHT, PROTESTANT CHAPLAIN.

The undersigned respectfully reports that services have been regularly held in the chapel during the past year on Sundays at 10 a. m. and on Wednesdays at 7 p. m. During Lent services are held on both Wednesdays and Fridays.

All Protestant funerals have been attended to; in all, numbering 95.

Regular visits have been made to the several wards in the hospital, and frequent visits made to members in their quarters.

##### REPORT OF M. J. HUSTON, CATHOLIC CHAPLAIN.

I have the honor to submit the following report for the year ending June 30, 1908:

Catholic services were held in the chapel as follows: Sundays throughout the year; communion mass, 6.30 a. m.; high mass and sermon, 7.30 a. m.; rosary, litany, and evening prayer, 5.45 p. m.

Special services were conducted during Lent, on the first Sunday of each month, on feast days, and legal holidays. Confessions were heard every Saturday afternoon and evening in the chapel, and in the hospital and barracks when necessary.

Considerable time was devoted to the hospital in visiting the sick and comforting the dying. Funeral sermons were preached on special occasions. There were 54 deaths among the Catholic members.

I have tried my best to cooperate with the other officers of the home in maintaining good order and discipline and in promoting both the spiritual and temporal welfare of the members.

In concluding this report I beg leave to thank you, sir, and every one who so kindly aided me during the last year in the performance of my duties.

## SANITARY REGULATIONS.

Regular inspections of the buildings and grounds are made by the surgeon, reports of which are submitted in writing to the governor. The surgeon also makes a quarterly sanitary report to the president of the Board of Managers. Members are required to bathe regularly once each week and new members immediately upon arrival at the home, at which time they are supplied with clean underclothes. All second-hand clothing is fumigated with formaldehyde and thoroughly renovated before reissue to members.

Daily examinations of milk are made in the laboratory as prescribed by home regulations.

All members entering the home, who are unable to show a satisfactory scar from recent vaccination are vaccinated at the time of their medical examination.

Care is taken to prevent, so far as possible, the careless expectoration of tuberculous patients, each patient being provided with sputum cup and disinfectant.

The noticeable increase in the death rate for the year is due largely to the unusual prevalence of pneumonia during the winter months. There were 77 cases of pneumonia treated in the hospital with 56 deaths.

## CHAPLAINS' REPORTS.

JULY 6, 1908.

SIR: I have the honor to submit herewith my report for the year ending June 30, 1908.

I have preached in the chapel on each Sunday except one during the year. On that Sunday I was absent with leave, and the usual religious service was held, another clergyman, whose presence I had secured, taking my place. I have also on each Sunday evening from September 1 to July 1 (except the Sunday mentioned), attended the service of song in the hospital provided for our sick comrades. On Monday evenings I have conducted a religious service in the hospital for those desiring to attend such a service; also a similar service in the chapel on Wednesday evenings. When I have been absent from the branch on Monday or Wednesday evenings, as I have in a few instances, I have provided a substitute at each of these services. Not a single religious service during the year has been omitted.

On Tuesday evenings a temperance meeting is held in Grand Army Hall each week, and I have not only been present at these meetings for the most part during the year, taking an active part in them, but in my intercourse with the members of the home, in the hospital and elsewhere, I have endeavored to exert as strong an influence as possible in behalf of temperance and good order generally.

During the year I have made almost daily visits to the hospital for the purpose of calling upon the sick, writing letters, holding religious conversation, and making myself helpful to those needing or seeking help and cheer. I have also conducted considerable correspondence for other members of the home desiring such assistance. In my

office hours at the library daily my counsel and advice have often been sought and received.

The library and reading room of the branch have received attention daily. The card catalogue of the books in the library, as to title and author, has been kept up to date, and both the library and the reading room are in excellent condition and are largely used by the members of the home.

During the year I have officiated at 87 funerals, 6 more than in the preceding year. Respectfully submitted.

HENRY S. BURRAGE, *Chaplain*

Col. JOHN T. RICHARDS, *Governor*.

JULY 14, 1908.

SIR: I hereby beg leave to submit the following report for the fiscal year ending June 30, 1908.

For the twelve months just drawn to a close the same routine of religious services has been observed as formerly.

Mass on Sundays and holy days was celebrated at the usual hour, viz, 7.30. In conformity with a custom which has for a long time existed, the holy sacrifice was offered the first Friday of each month exclusive of January.

There were 53 Catholic veterans buried in the home cemetery, and the remains of 30 were forwarded to relatives.

My visits to the hospital, especially during the winter, were in greater demand than ever. At one period for four or five weeks in succession I called on the patients once a day. The cause for having been summoned so frequently to attend the sick was the prevalence among them of pneumonia, from which, although it proved fatal in many cases, yet a surprisingly large number recovered. Complete restoration to health from such a treacherous disease must be attributed in large measure to the constant care of the nurses and the kind attention of the surgeons.

Very respectfully, yours,

JOHN P. NELLIGAN.

Col. JOHN T. RICHARDS, *Governor*.

# ANNUAL REPORT OF SOUTHERN BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR END- ING JUNE 30, 1908.

Hon. FRANKLIN MURPHY, Local Manager.

Col. THOMAS J. KNOX, Governor.

Maj. JOHN T. HUME, Treasurer.

Maj. JOHN A. JOHNSTON, Surgeon.

Capt. FRANK E. SKINNER, Quartermaster.

Capt. D. C. SPENCER, Commissary of  
Subsistence.

Rev. J. MARTYN NEIFERT, B. A., Chaplain.

JULY 30, 1908.

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1908:

Average present.....	2, 261
Average present and absent.....	3, 178
Whole number cared for.....	4, 093
Whole number receiving medical treatment.....	2, 857
Average age of members.....	67. 42 years.
Average cost of daily ration.....	\$0. 1681
Cost per capita per year.....	\$162. 65

During the past fiscal year several changes have been made in the officers of the branch. In September Maj. B. A. Beeson, treasurer, resigned and the vacancy was filled by the promotion of Maj. John T. Hume, quartermaster. Capt. Frank E. Skinner was promoted from commissary to quartermaster, and Capt. D. C. Spencer appointed commissary.

The important improvements at the branch of a permanent character are: The building of three barracks with mess hall, additional wing to hospital, and a front addition. This work is still in progress and will not be finished for several months.

The revetment in Jones Creek has been completed to the Hampton bridge; a new greenhouse has been constructed; some concrete walks have been laid; a pipe line for fire protection installed; the replacing of old plumbing by new has been continued and now all the companies are supplied with modern plumbing. Considerable metal ceiling has been put in place in the barracks and hospital; much painting has been done to both the outside and inside of many of the buildings; quite extensive repairs have been made to the porches of the different barracks.

The discipline of the branch has been fair, but owing to its close proximity to Phoebus much drunkenness occurs. There has been no epidemic during the past fiscal year.

Respectfully,

T. T. KNOX, *Governor.*

Col. WALTER P. BROWNLOW,

Capt. THOMAS H. KINSELLA, Chaplain.

NATIONAL MILITARY HOME, KANSAS,  
*July 21, 1908.*

SIR: I have the honor to submit the following report of this branch  
for the year ending June 30, 1908:

Average present.....	2,333
Average present and absent.....	3,633
Whole number cared for.....	4,857
Whole number receiving medical treatment.....	3,982
Average age of members.....	67.26
Average cost of daily ration.....	\$0.1874
Cost per capita per year.....	\$187.76

## IMPROVEMENTS.

During the fiscal year there were constructed, out of special congressional appropriations therefor, an addition to the mess hall, an addition to the quartermaster's storehouse, a building with mess hall and kitchen, a public toilet and lavatory, and a dormitory for civilian (boiler house) employees. There are now undergoing construction, out of special appropriations, a combination barrack and a chaplain's quarters.

The following improvements of a permanent nature were made under the head of repairs:

Rebuilding the porches of 13 barracks; remodeling the basement of 1 barrack; remodeling second floor of library building to provide dormitory space for women employees; laying of Petro pulp floor in general mess kitchen; installing a drainpipe under railway embankment; laying cement floors in basement of hospital; nurses' cottage, headquarters, and combination barrack; remodeling and enlarging refrigerating rooms of the general mess hall; repointing and plastering a part of the tunnel roofs; repairs to the chief gardener's house, and the installation of a new engine, electric generator, and steam pump in power plant.

## GENERAL CONDITIONS.

Cleanliness and neatness have been maintained at all times and all places in the branch. Farm and garden operations are successful. Flowers and vegetables are produced in abundance, and the park system is at all times maintained in an attractive condition. Sanitation received careful attention and unfavorable conditions were promptly reported and corrected. The burning of fuel oil instead of coal during the entire fiscal year has been entirely satisfactory, and it is thought has resulted in considerable economies. The monotony of the lives of the members has been relieved so far as possible by theatrical entertainments, baseball, football, etc.

The branch was obliged, as usual, to use the basements of barracks for dormitory purposes during the fall and winter months. The crowded condition which has always affected this branch has been much relieved by the transfer of members to other branches where dormitory space was available.

Some additional buildings and improvements of a permanent character, requiring special congressional appropriations, are needed, and statement thereof in detail will be submitted in the annual estimate.

## DISCIPLINE.

The discipline of the branch has been maintained with kindness and firmness. Although the membership was smaller than for preceding year, the offenses have been more numerous, the increase being principally on account of increased drinking and drunkenness. This result is due to the abolition of the canteen. During the maintenance of the canteen the drinking was chiefly confined to beer, which could be purchased at the canteen, and was under the immediate control of the officers of the branch. After the abolition of the canteen, drinkers were compelled to go outside for the gratification of their appetites, and drank bad whisky, as well as beer, and both to excess, to their individual damage and to the subversion of orderly conduct in the branch.

Very respectfully,

S. G. COOKE, *Governor.*

Col. WALTER P. BROWNLOW,  
*Secretary Board of Managers*

## SANITARY REGULATIONS.

*Garbage.*—Garbage is collected immediately after each meal and is removed from the grounds in a wagon having inclosed box.

*Bathing.*—Members are required to bathe once every week and a record is kept by the captain of each company to show that the rule is complied with. Men newly admitted to the home are required to take a bath, except when too infirm. In such instances they are bathed at the hospital.

*Bedding.*—Beds and bedding are aired every morning until 9 o'clock, except Saturday morning, when the time is lessened in order to prepare for inspection.

*Vermin and disease.*—Constant care is exercised by the use of hot water and chemicals to exterminate vermin and to prevent the spread of disease.

*Linen.*—Linen is changed once every week throughout the home, and towels in wash rooms one or more times a day.

*Soiled linen.*—Soiled linen is sent to the laundry once each week and from the hospital each day, but laundry may be sent more frequently if badly soiled.

*Ventilation and heat.*—The ventilation provided for throughout the home is direct or indirect, and is, as a rule, good. The heat furnished in winter has been good.

*Milk and food.*—The character and quality of food and milk are tested from time to time by the hospital corps. Milk supplied the home under contract is analyzed daily. The home milk is analyzed periodically.

*Inspections.*—The regular weekly inspections of the barracks, hospital, etc., is supplemented by a quarterly report by the surgeon to the governor.

*Vaccination.*—All members must show a scar of not greater than two years standing or undergo operation for vaccination.

## RELIGION AND SOCIETIES.

## REPORT OF REV. JAMES M. PAYNE, PROTESTANT CHAPLAIN.

I visit the hospital daily and also make frequent visits throughout the home. I have attended 212 funerals during the year.

The following services are held: Sundays, 1.30 p. m., preaching; Sundays and Thursdays, 9 a. m., prayer and praise services; Tuesdays, 9 a. m., Christian Endeavor; temperance meetings Wednesdays at 2.30 p. m.

Membership of Christian Endeavor, 150; Temperance Society, 198. The general condition of these societies is good.

## REPORT OF REV. THOMAS H. KINSELLA, CATHOLIC CHAPLAIN.

I have the honor to report that the usual duties of my office have been punctually attended to during the past year. Morning and evening services have been held each day and an extra service on Sundays.

The average attendance on Sundays was about 200 and on week days about 100. The Rosary Society meets each evening in the chapel for night prayers; about 100 men attend. The Sacred Heart Society continues to hold its monthly meetings. About 50 men of this society approach holy communion on the first Friday of each month.

Frequent visits are made to the hospital and barracks.

Thirty-eight funerals were attended and a simple service performed at the grave of each veteran.

The general moral tone of Western Branch is peaceful and pleasant, and a large measure of happiness is everywhere apparent.

# ANNUAL REPORT OF PACIFIC BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING JUNE 30, 1908.

Col. HENRY H. MARKHAM, Local Manager, Redondo, Cal.

Col. THOMAS J. COCHRANE, Governor.

Maj. ERNEST W. MOORE, Treasurer.

Maj. O. C. McNARY, Surgeon.

Capt. JOHN W. BARR, Quartermaster and

Commissary of Subsistence.

Rev. GEORGE W. WILSON, Chaplain.

SOLDIERS HOME, CAL., *June 30, 1908.*

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1908:

Average present.....	2,215
Average present and absent.....	3,616
Whole number cared for.....	4,352
Whole number receiving medical treatment.....	2,664
Average age of members.....	63.25
Average cost of daily ration.....	\$0.18278
Cost per capita per year.....	\$173.84

## GENERAL CONDITION.

Good order and cleanliness are general throughout the branch.

Above 91 per cent of the membership committed no offense during this year, which fact gives a high character to the great mass of the veterans here, when their advanced age, feebleness, and loneliness are considered.

The general health of the home has been good, and the death ratio smaller than the previous year, while the number of deaths was but one more, although the membership was the largest in the history of the branch.

## WATER PIPE LINES.

Much of the piping has been in use for fifteen years, and is worn out by corrosion on the outside and the cutting by water on the inside. In a recent "fire drill," with the ordinary pressure for such an exhibition, so many breaks in the lines occurred that considerable of the force was lost, and the necessary repairs required several days of labor for the engineer and a number of workmen.

## IMPROVEMENTS.

During the year permanent improvements were made at an expenditure of \$58,710.78. A tabulated statement attached shows the substantial character of these improvements, covering various needs and adding greatly to the betterments of the branch.

Very respectfully,

T. J. COCHRANE,  
*Governor.*

Col. WALTER P. BROWNLOW,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

## SANITARY REGULATIONS.

Exhaustive quarterly sanitary inspections are made by the surgeon, at which time instructions are given to company commanders and others in charge of buildings, etc., as to proper sanitary work. Irregular and partial sanitary inspections are also made.

All clothing turned in to the quartermaster is sterilized and renovated before placing in storage or in stock for issue.

All linen is changed weekly. In hospital, as often as necessary.

Soiled linen is taken to laundry from barracks weekly; from hospital daily.

Bedsteads are steamed weekly in the hospital. Bedbug poison is used in the barracks. Hot-water flushing, chloride of lime, and disinfecting solutions are used in urinals, closet bowls, etc.

Weekly baths are obligatory throughout the branch home. In hospital, baths are given more frequently if necessary.

Daily examination of the milk is made, and in hospital daily examination of the food served is made by the assistant surgeons in turn. Occasional examinations of food at commissary and main dining hall is made by the surgeon. Bills of fare are submitted weekly to the surgeon for his approval.

Garbage is removed from the tanks in closed wagons, twice each day.

All men admitted, readmitted, or received by transfer are examined and vaccinated at once without reference to previous vaccinations.

Spit cups with carbolic-acid solution are furnished all patients in hospital, and care is taken that they use them.

Full screens are now on all windows and doors of wards, dining rooms, and kitchens in the hospital.

The home has been free of epidemics the past year. One case of smallpox appeared January 8, 1908. The case was promptly quarantined, and all precautions taken to prevent contagion. Full reports were made to the governor on appearance of the case and again on transfer of the case to quarters, cured.

Owing to the large number of tubercular patients in this hospital, well-screened tent houses are very desirable and their installment as soon as possible recommended.

Very respectfully,

O. C. McNARY, *Surgeon.*

#### RELIGION AND SOCIETIES.

I have attended 148 funerals, made 211 calls at the hospital, conducted 52 prayer meetings, preached 64 sermons, 43 lectures, and attended 11 of the temperance meetings. Average attendance at chapel, 215.

Respectfully submitted.

G. W. WILSON, *Protestant Chaplain.*

On account of the advance in pension by the McCumber bill many of the best members have been able to receive honorable discharge because they felt able to support themselves. This loss has told slightly upon the average attendance at the chapel services. The general morale of the home has decidedly improved during the last year.

During the year I endeavored to impart all the spiritual consolation that I could to the sick in the hospital.

All my sermons in the chapel contained appeals for a high order of morality, and especially for temperance, among the men of the home.

The home authorities receive my warmest gratitude for facilitating matters in the performance of my duties.

Very respectfully,

PATRICK HAWK, *Catholic Chaplain.*

**ANNUAL REPORT OF MARION BRANCH, NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING  
JUNE 30, 1908.**

Col. EDWIN P. HAMMOND, La Fayette, Ind., Local Manager.

Col. GEORGE W. STEELE, Governor.

Maj. J. W. SANDERSON, Treasurer.  
Maj. HARRY MILLER, Surgeon.  
Capt. JOHN W. MILES, Quartermaster.

Rev. D. E. MYERS, Chaplain.  
Rev. CHARLES E. McCABE, Chaplain.

NATIONAL MILITARY HOME, INDIANA,  
July 27, 1908.

SIR: I have the honor to submit the following report of this branch  
for the year ending June 30, 1908:

Average present.....	1, 601
Average present and absent.....	2, 145
Whole number cared for.....	2, 785
Whole number receiving medical treatment.....	2, 304
Average age of members.....	67. 35
Average cost of daily ration.....	\$0. 17037
Cost per capita per year.....	\$173. 35

The debility of members on account of age and infirmities has increased during the last year to an unusual degree, and a greater per cent of them than ever before decline to perform extra duty even with pay. It is becoming more apparent that it is only a question of two or three years when very few of the members who served from 1861 to 1865 will be able to perform the various duties now devolving upon them, and up to this time the membership coming from the Spanish and other wars has fallen far short of furnishing its proportion of members who are capable or able to perform the duties required in the home.

I am, very respectfully,

GEO. W. STEELE, *Governor.*

Col. WALTER P. BROWNLOW,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

*Statement of receipts and disbursements of Marion Branch, National Home for Disabled Volunteer Soldiers, appropriation for fiscal year 1908 and prior fiscal years.*

## SANITARY REGULATIONS.

## DIRECTIONS FOR DISINFECTION OF CANCER AND TUBERCULOSIS LINEN.

The linen from the tuberculosis and cancer wards or linen used by patients suffering from erysipelas, discharging ulcers, etc., shall be placed in covered tin receptacles to be found in corridor next to clothes hamper and labeled "Infected linen."

All such linen will be put into disinfecting barrel in basement and allowed to remain at least five hours.

The solution for use in disinfecting barrel will be changed every two weeks or oftener. The disinfectant will be furnished, together with directions, by the druggist.

Upon the death or transfer of a member, all such clothing, mattresses and bedding, other than linen, will be sterilized by steam before being turned in to the quartermaster or subjected to further use.

All offensive linen will be placed in tin receptacles labeled "Offensive linen." This will be thoroughly rinsed in laundry trays before being sent to laundry.

## RULES FOR TUBERCULOSIS WARDS.

Each patient must be supplied with a spit cup containing a considerable quantity, at all times, of antiseptic fluid.

Under no circumstances will sputa be allowed to dry on the edge of the spit cup, the floor, linen, clothing of patient, or person of patient. In other words, the offending material must be removed at once.

Each patient must be supplied with tissue paper which may be used instead of kerchief and then deposited in the antiseptic solution.

The greatest degree of ventilation consistent with comfort must be maintained.

Each patient must be supplied with special towel and wash basin.

All tuberculosis patients must be fed in their ward. Likewise, all such patients must be barbered in their ward.

All linen must be subjected to disinfection in linen cellar before being sent to laundry.

All clothing must be sterilized by steam before being renovated or turned back to the quartermaster.

All papers and magazines, after being used in tuberculosis wards, must be destroyed.

## RULES FOR BARBER SHOP.

Each person shaved shall have a special face towel.

As a styptic, powdered alum will be kept in a tightly closed box, and when used the corner of the individual's towel will be dipped in the powder and applied. After the towel has been brought in contact with the face it will not again be dipped in the powder.

After each shave, the razor blade will be immersed in a 4 per cent solution of phenol, then rinsed in clean water before being used again.

Shaving brush will be washed and shaving mug carefully rinsed after each shave.

Razor strops will be thoroughly washed at least once a day.

Patients suffering from cancer or tuberculosis will be barbered in their wards. A special razor will be used on each of these classes of cases.

#### HEATING AND VENTILATING.

The temperature of the wards must be maintained at about 70 degrees.

The nurse in charge will see that the proper ventilation is secured by lowering the windows from the top and, to avoid drafts, ventilating from the leeward side of the building.

#### GARBAGE.

So far as possible, all waste from wards, infected dressings, papers and magazines will be cremated in isolated boiler house.

#### RELIGION AND SOCIETIES.

# ANNUAL REPORT OF DANVILLE BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING JUNE 30, 1908.

Gen. THOMAS J. HENDERSON, Princeton, Ill., Local Manager.

Col. ISAAC CLEMENTS, Governor.

Maj. M. J. BARGER, Treasurer.  
Maj. D. C. JONES, Surgeon.  
Capt. E. W. ELDRIDGE, Quartermaster.  
Capt. JOHN W. NEWLON, Commissary  
of Subsistence.

Rev. STEPHEN N. MOORE, Chaplain.  
Rev. THOMAS A. PARKER, Chaplain.

NATIONAL HOME,  
Danville, Ill., July 22, 1908.

SIR: I have the honor to submit the following report of this branch of the National Home for Disabled Volunteer Soldiers for the fiscal year ending June 30, 1908:

Changes of population have been as follows:

Average present.....	2,263
Average present and absent.....	3,207
Whole number cared for.....	4,276
Whole number receiving medical treatment.....	2,917
Average age of members.....	66.11
Average cost of daily ration.....	\$0.162
Cost per capita per year.....	\$165.43

The various tables filed herewith give detailed information as to the workings of the branch, both from a statistical and financial point.

The combination barrack, for which the sum of \$50,000 was appropriated by an act of Congress approved June 30, 1906, has been completed at a cost of \$49,934.53, and is now being occupied. It promises to be very efficient and to go far toward meeting, so far as this branch is concerned, the rapidly growing necessities of the home (already recognized by the board of managers), which arise from the advancing age and increasing disabilities of the members.

The death rate has remained practically the same as last year.

The total per capita expense has been \$165.43, an increase of \$15.99 as compared with last year, and the cost per ration per capita has been \$0.165, an increase of \$0.0094 as compared with the same period. These increases are the result of the increased cost of all products used in the home.

Very respectfully,

I. CLEMENTS, Governor.

Col. WALTER P. BROWNLOW,  
Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.

## SANITARY REGULATIONS.

The sanitary inspection of the buildings and grounds is made quarterly. Some portions of the camp are inspected weekly by some member of the medical staff. The combination barrack has been completed and will be occupied on the first day of the fiscal year beginning July 1, 1908. In its construction and appliances it is abreast of the most modern sanitary building for such purposes. During the past year portions of the hospital have been repainted and touched up and the work will be continued until the entire hospital will be painted and renovated. Modern machinery for the cleansing of dishes has been installed in the hospital and the combination barrack, where the quarters are more commodious and conveniently arranged for the holding

of sick calls. The pesthouse is kept up at a safe and convenient distance from the other buildings. However, it has not been occupied during the past year, as there has been no case of smallpox or other contagious diseases in the camp. The order of bathing is kept up. Also the order of vaccination. During the past fiscal year we have had no epidemic nor endemic diseases. The sanitary condition of the hospital and all the buildings is excellent. The grounds have been well policed; the trees shrubs, and flowers are in a prosperous and healthy condition. The discipline is good; clothing and food abundant and of good quality. The men seem happy and contented. In my opinion it has been one of the most pleasant years in the history of the home.

#### RELIGION AND SOCIETIES.

##### REPORT OF REV. STEPHEN N. MOORE, CATHOLIC CHAPLAIN.

SIR: I have the honor to submit the following report for the year ending June 30, 1908:

*Services.*—Two services have been held in the Catholic chapel on every Sunday throughout the year. Week-day services have been held every morning at 7 a. m., except during the twenty-four days I was absent with leave. During this time I provided a substitute to hold services on Sundays and to attend funerals. Special services were held on Wednesday and Friday evenings during Lent and on the morning of the first Friday of each month. A mission lasting eight days was conducted by the Paulist Fathers of Chicago during last December, at which time the seating capacity of the chapel was taxed to the utmost and much good accomplished.

*Sermons.*—I have preached at each Sunday morning service and on Wednesday and Friday evenings during Lent.

*Attendance.*—Average attendance on Sunday mornings, about 200; average attendance on Sunday afternoons, about 100; average attendance at lenten devotions, about 150; average attendance on week days, about 80.

*Visits to hospital and barracks.*—I have visited the hospital on an average of four times each week and endeavored to comfort and strengthen the afflicted. All calls to the hospital were answered promptly and the sacraments administered to the sick at frequent intervals. I have always held myself in readiness to write the letters of those unable to do it themselves and have always promptly answered the letters of those inquiring about the health, etc., of their relatives in the home. Frequent visits were made to the barracks and an effort made to help the members individually.

During the year many took the pledge of total abstinence and most of these were religiously kept. I am glad to report that drunkenness is less common than formerly and that the majority of the members are endeavoring to correct the bad habits formed years ago.

Respectfully, yours,

STEPHEN N. MOORE, *Chaplain.*

Col. ISAAC CLEMENTS, *Governor.*

SIR: The report following, for the year ending June 30, 1908, is respectfully submitted:

Number of sermons preached during the year.....	52
Lectures delivered.....	5
Bible and vesper services.....	68
Visits to the hospital.....	106
Funerals attended.....	144

Preaching service is held every Sunday afternoon at 2 o'clock and is well attended by members of the home. The prayer meetings held Saturday evening at 6.30 o'clock and the Sunday evening assemblies have a good attendance. I have organized a Sunday morning class for Bible study. The Christian League has an enrollment of 330. The league includes members of all denominations; and those signing its pledge thereby promise to attend religious meetings and to observe the usual duties of a Christian life. The Home Temperance Club and Anti-Saloon League have a list of about 700 members holding biweekly meetings in assembly hall. At the close of my Sunday afternoon service I hold song and prayer service in the various wards of the hospital. Our chapel choir is aided by singers from the different churches in Danville. I have visited the members of the home in the company barracks. Made special calls upon the sick, wrote to some of their homes, and contributed to the best of my ability to their personal and spiritual comfort.

THOMAS A. PARKER, *Chaplain.*

## WATER.

The available water supply in time of drought continues inadequate. The ownership and management of the contracting water company has changed hands, and the promised improvement of a pumping station at the Harvey-Denton Spring and the construction of an additional reservoir has been abandoned. The new management has made representations of an intention to construct an impounding reservoir with capacity of some 22,000,000 gallons, but this intention appears indefinite and the plans for it incomplete. The water company has neglected to execute a contract for the incoming fiscal year and demands an increase in water rates. The water company has been informed that the home relies on its option to renew at the present rate.

## GENERAL CONDITIONS.

The general health of the members has been good; there has been no epidemic of contagious disease; sanitation has continued excellent, and the sewage-disposal plant has continued in satisfactory operation.

Respectfully,

JOHN P. SMITH, *Governor.*

## SANITARY REGULATIONS.

Regular inspections of the grounds and buildings are made, and special attention is given to keeping the premises in a clean and sanitary condition. Linen is changed regularly and nurses warned of the danger of permitting sputa or other infected dejecta to remain on the clothing of patients, the linen, or the floor. Rules requiring members to bathe once each week and new members to do so on arrival are observed. Second-hand clothing is fumigated and renovated before reissue. All members arriving at the branch are required to report to the surgeon for examination. Vaccination is enforced. Daily examinations of milk are made in the hospital laboratory.

## RELIGION AND SOCIETIES.

SIR: I have the honor to report that during the past year the attendance at the Catholic services was very gratifying, and the benefit derived therefrom very noticeable. The great majority of those who were able to attend were seldom absent.

The holy mass was celebrated every Sunday and holiday, and there was a large attendance even on week days. Sermons were preached every Sunday and holiday, and three times a week during advent and Lent, and occasionally at other times. A large number received holy communion monthly, and many even weekly.

A total abstinence society has a large membership and has contributed very materially to promote temperance amongst the membership. The Rosary Society and Sacred Heart League have a large membership.

The hospital was visited daily, and spiritual instruction and consolation and the sacrament administered as occasion required. The barracks were visited at least once a week for the purpose of becoming better acquainted with the members and thus acquiring a more salutary influence over them. Funeral services were held for all Catholic members buried in the home cemetery.

I am glad to be able to say that, notwithstanding the difficulties under which many of the members must have labored during life, the average religious and moral character of the membership is as high as that of a like number of men in any other community.

Respectfully,

JOHN K. LARKIN, *Chaplain.*

Col. JOHN P. SMITH, *Governor.*

SIR: For the fiscal year ending June 30, 1908, I have the honor to report as follows: One preaching service every Sabbath, average attendance 200; midweek prayer-meeting held regularly, attendance fair; interest good and well sustained.

Semiweekly visits are made to the hospital, and calls from there promptly answered; weekly visits to the barracks, except for a time when prevented by personal sickness. In November, 1907, a Christian temperance union was organized; semimonthly meetings are held, and the membership steadily increases. By use of the good, varied programmes the interest is well sustained. The influence of these meetings is proving greatly helpful to the members.

In good discipline and moral tone there is a steady and encouraging improvement in the home, due largely to a wise and just administration.

Respectfully,

J. A. RUBLE, *Chaplain.*

Col. JOHN P. SMITH, *Governor.*

# BATTLE MOUNTAIN SANITARIUM, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS FOR THE YEAR ENDING JUNE 30, 1908.

Capt. HENRY E. PALMER, Omaha, Nebr., Local Manager.

Col. E. T. WEST, Governor and Surgeon.

Maj. W. A. TUCKER, Treasurer.

Capt. J. L. DENMAN, Quartermaster.

HOT SPRINGS, S. DAK., *July 13, 1908.*

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1908:

Average present.....	138
Average present and absent.....	168
Whole number cared for.....	536
Whole number receiving medical treatment.....	494
Average age of members.....	61.543
Average cost of daily ration.....	\$0.2259
Cost per capita per year <sup>a</sup> .....	\$1,220.78

During the past fiscal year the available water supply of the sanitarium has been materially augmented by connecting the Home Spring with the main flow line from the Mammoth Spring by means of a 4-inch main. The capacity of the steam pumps has also been greatly increased by enlarging the intakes and outlets in connection with same, so that the amount of water now available is considered adequate during all seasons for every ordinary purpose.

With the installation of the surge tank to care for the return water of the heating system and use of the water-softening compound upon all water for the boilers taken direct from the reservoir, it is believed that a large percentage of the heavy mineral deposits in the boiler tubes and the scaling in the steam pipes will be obviated. It is thought that a water-softening plant for use in connection with the hot-water supply of the sanitarium should be installed within the near future, as the deposits in the hot-water pipes are already very heavy and are constantly increasing.

Very respectfully,

E. T. WEST,  
*Governor and Surgeon.*

Col. WALTER P. BROWNLOW,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

## SANITARY REGULATIONS.

The sanitary condition has been good during the year.

Regular inspections of the grounds and buildings are made each week, and once every quarter a thorough sanitary inspection is made and a written report of conditions submitted.

All garbage is promptly removed.

Patients are required to bathe at least once each week, and all patients on arrival at the sanitarium.

All cases are examined at time of admission, and those that require it are vaccinated.

The sputum of tubercular patients is properly cared for and all flasks and cups are disinfected daily with steam in addition to antiseptic solutions used in these receptacles.

Soiled and infected clothing is sterilized with steam under high pressure.

## RELIGION AND SOCIETIES.

HOT SPRINGS, S. DAK., *July 10, 1908.*

DEAR SIR: I have the honor to submit to you the following report for the year closing June 30, 1908:

I began my work as chaplain on September 1, 1907. Having come from the ranks of the regularly ordained ministry, I conceived it to be my one calling to devote myself exclusively to the spiritual and social wants of the old soldier members of the sanitarium. I have preached regularly every Sunday, dividing the time between the morning and afternoon with my fellow-worker, Father Judnic.

Despite the infirmities attending the advanced years of the members the attendance upon the services has been encouraging and profitable. I have also maintained mid-week services during the year for prayer and Bible services. Aside from my public services, my chief endeavor has been to visit among the several wards as nearly as practicable every day, visiting the sick and discouraged, cheering the homesick, and thus endeavoring to cultivate in our midst a spirit of comradeship which would expel the feeling of isolation and loneliness, which so often clouds the lives of men so far away from their homes.

I have attended and officiated at nineteen funerals; at seven of these the bodies have been forwarded to friends of the deceased.

When I came to the sanitarium I found no library nor literature of any kind. With the consent and under the direction of Governor West, I have established a system of weekly and daily papers, together with several current monthlies, both Eastern and Western. In addition to this, by the aid of friends, we have placed upon our library shelves nearly four hundred volumes of fiction, history, and miscellaneous subjects, which are being constantly appreciated and patronized by the members, adding very materially to their pleasure. By constant correspondence and faithful research, we are adding every month to this valuable adjunct to our mutual pleasure.

Respectfully submitted.

C. B. CLARK, *Chaplain.*

Col. E. T. WEST, *Governor and Surgeon.*

HOT SPRINGS, S. DAK., July 9, 1908.

DEAR SIR: I respectfully submit the following report for the year ending June 30, 1908:

Divine services were held every Sunday, consisting of high mass, sermon, and benediction. Confessions were heard every Sunday morning, and holy communion was administered every Sunday during high mass. The sacraments have been administered to the sick in their wards and instructions given daily to those who cared for them. I spent many hours daily in conversation with those who are confined in their rooms or beds. Every effort has been made to do all that was possible for the spiritual and temporal welfare of the individual members of the home.

On Sundays the chapel of the home is much frequented, the choir and orchestra giving perfect satisfaction.

Very sincerely yours,

JOSEPH JUDNIC, *Catholic Chaplain.*

Col. E. T. WEST, *Governor and Surgeon.*

## REPORT OF INSPECTION OF STATE SOLDIERS AND SAILORS' HOMES FOR THE YEAR ENDING JUNE 30, 1908.

HEADQUARTERS NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS,  
*New York, N. Y., December 1, 1908.*

SIR: I have the honor to submit herewith summaries of the reports of inspections of the State Homes for Disabled Volunteer Soldiers and Sailors receiving the government aid as provided by law.

The inspections on which these reports are based were made during the fiscal year ending June 30, 1908, since which time the law relative to the treatment of pension money of members of state soldiers' homes has been changed as the result of the act of Congress approved May 28, 1908, which requires that all pension money shall be paid direct to the pensioner instead of to the treasurer or other officer of the home. This legislation has necessitated changes in the rules and regulations of nearly all of the state homes, as the disbursement of pension money to members was formerly, to a large extent, controlled by the home authorities, partly for disciplinary purposes and partly for the protection of members who are incapacitated by infirmities and therefore require assistance and supervision in the care of their pensions. Where wives, widows, and mothers of soldiers are cared for, which is the case in nearly half of the state homes, the assignment of a portion of the pension money of members to the home was required.

The new law has been complied with by the authorities of the state homes, but is quite generally condemned as being of no benefit to members, and in the case of those who are incapacitated a decided inconvenience, as it necessitates trouble and expense incident to the appointment of a guardian. In some instances it has been necessary to discharge members because of dissolute habits and consequent interference with the comfort of others, who could be restrained and cared for while the disbursement of their pensions was under the control of the home authorities. There has been no instance in which the law has received favorable comment and the opinion appears to prevail among the managers and officers of state homes that it should be repealed or modified.

All of the homes have been inspected and the returns verified by the inspectors-general of the national home.

The quarters provided are adequate and, on the whole, well furnished, heated, and lighted. Members receive good care and considerate attention and the homes are, generally, well managed.

The statement on the following page shows the changes in membership under different heads during the period covered by this report, as compared with the last fiscal year.

*Comparative statement of average present, average present and absent, whole number cared for, and average cost per capita of the state soldiers' homes, years 1907 and 1908.*

Average present during year ending June 30:

1908.....	11, 436
1907.....	11, 688
Decrease.....	252

Average present and absent:

1908.....	14, 059
1907.....	14, 251
Decrease.....	192

Whole number cared for:

1908.....	20, 147
1907.....	19, 597
Increase.....	550

Average cost per capita:

1908.....	\$232. 63
1907.....	216. 62
Increase.....	16. 01

The above statement shows a small decrease in the average present, but a decided increase in the whole number cared for which corresponds in this respect with the returns of the National Home for Disabled Volunteer Soldiers, and indicates a shorter average residence in the homes.

Respectfully, yours,  
*W. E. ELWELL,*  
*Inspector-General and Chief Surgeon,*  
*National Home for Disabled Volunteer Soldiers.*

Maj. JAMES W. WADSWORTH,  
*President Board of Managers,*  
*National Home for Disabled Volunteer Soldiers.*
